### The Use of Lincoln Central Mosque and Cultural Centre for Islamic Study Circles

Islamic Association of Lincoln (IAL) is still in the process of putting together booking and usage policies and procedures regarding the Mosque facilities. IAL also recognises the fact that our community needs to increase in Islamic knowledge and spiritual development, in which the Mosque plays a role in facilitating.

The Islamic Association of Lincoln, through the use of the Mosque Facilities, aims to promote mainstream knowledge and practise of Islam. We regard ourselves as one Ummah, holding fast to rope of Allah and not to be divided, as Allah, subhannahu wata'aala, command us in the holy Qur'an (Chapter 3, vs 103). The Association will not allow any form of division and all forms of extremist views and ideologies.

For the purpose of reading and studying the holy Qur'an, hadith, acquiring general Islamic knowledge through study circles, halaqah, and so on, the Mosque will be made available subject to temporary conditions until new policy is in place:

#### 1.1 Available Areas of the Mosque

Only Men and Women main Prayer Halls can be used for the Study Circles. Food and drinks are **not allowed** in these two areas.

#### 1.2 Purpose of Use

The purpose of use must be clearly stated and this should fall only into the categories above

#### 1.3 Details of the Individual leading the Study Circle such as: name, contact address, contact telephone number as well as email must be provided.

#### 1.4 Mosque Availability for Islamic Study Circles:
